

Lift Industry Charity Cycling Challenge 10th & 11th July 2021

DISCLAIMER

The Terms and Conditions detailed below apply to all participants in the 2021 Lift Industry Charity Cycling Challenge organised and operated by Sportive Breaks Ltd and Dewhurst UK Ltd (referred to hereafter as the organisers). By registering and participation in the event you acknowledge acceptance of these Terms and Conditions.

1. The participant accepts that the event is not a race in any format and should not engage in any competitive behaviour during the event. They accept that results will not be published and no prizes will be awarded based on their performance.
2. The participant is fully responsible for their own actions whilst attending the event. This includes the start/finish area, feed stops and during the ride itself. The organisers do not accept responsibility for the actions of the participant nor the consequences of such actions.
3. Each participant is responsible for providing their own insurance protection for their participation in the event if required. Entry to the event does not include any insurance protection for accident, sickness or negligence of any individual participant. Any accident or injury caused by the rider's actions will be the full responsibility of said rider.
4. Each participant will be fully responsible for any fees or costs incurred or arising from an accident either involving or caused by the rider. This includes, but is not exclusive to, fees from police, air ambulance, fire and rescue and the ambulance service. If the situation arises that you are not capable of making the decision to call the emergency services, the rider agrees that the organisers or a member of the public may call for them. In this situation, the rider still accepts the costs and consequences of such actions.
5. Each participant agrees that they are physically and mentally capable of cycling the distance they have chosen to participate in. If, during the event, they decide to take an alternative route then all consequences of this action are theirs.
6. Event participation is limited to persons aged 18 years or over.
7. The participant agrees to wear, as a minimum, a suitably designed cycling specific helmet during the cycling sections of the event. The organisers reserve the right to refuse participation in the event to anyone with inappropriate equipment or clothing.
8. The participant confirms that the cycle they are riding for the event and all of their equipment is of a suitable standard and state of road worthiness.
9. The event takes place on open public roads over which the organiser has no control over other road user's behaviour. The publication of a route does not guarantee its safety and participants are deemed to make their own decision about whether to proceed on each section.
10. The participant agrees to sign in and sign out at the start and end of the ride. Not doing so will mean that a search may be organised and the subsequent cost may be billed to the rider.
11. By entering the event, the participant consents to interview, photography, audio recording, video recording and its/their release, publication, exhibition, or reproduction to be used for promotional purposes by the organiser and/or its affiliates and representatives. You release the organiser, its officers and employees, and each and all persons involved from any liability connected with the taking, recording, digitising, or publication of interviews, photographs, computer images, video and/or or sound recordings. The participant waives all rights they may have to any claims for payment or royalties in connection with the publication of these materials. The participant also waives any right to inspect or approve any photo, video, or audio recording taken by the organiser or the person or entity designated to do so by the organiser.
12. If the organisers have to cancel the event due to circumstances beyond their control, they will not be responsible for any costs or payments made by participants with regard to travel or accommodation in conjunction with the cancelled event.

I understand that if I do not comply with these rules, I risk being disqualified from the ride and from future participation.
